Notes: Figures include shared ownership sales. Scottish housing association figures include right to buy and some voluntary sales by Scottish Homes. Figures for housing association sales in England from 1996 onwards are for the financial year, and include the preserved right to buy, but not the right to acquire. The Scottish housing association figures from 2006 are for financial years. The Welsh figures for 2009 are estimates based on data for the first three-quarters of the year.
